C1 - Greece FOUNDING THE ERASMUS+ SUPERTEAMS

Agrupamento de Escolas José Estêvão (Portugal)

This first face to face meeting brought real important moments of development and growing of the consortium. In Greece it was possible to clarify concepts, to discuss real challenges of the project and to strength the partnership.

I. I. S. S. "Alessandro Volta" (Italy)

We are confident we'll become experts in the projects implementation and even more proactive than before, writing european projects and assuming the leading role in future projects.
