Cultural manifesto

Our vision

We are a secondary school focused on **science** and **new technologies**.

Our new **high tech labs** are designed to ignite active and participative learning.

Our **mission** is to favour the **development of a curriculum** that looks at students' interests and the **newest soft skills**.

Priorities

- 1 to **enhance** students' educational success
- 2 to **reduce** socio-economic and culture poverty;
- 3 to **reinforce** students' basic skills.

Erasmus+ objectives

- 1 to **prevent** school drop out
- 2 to **improve** english language's knowledge;
- 3 to **reduce** socio-economic and culture poverty;
- 4 to **commit** to internationalisation of the school;
- 5 to **enhance** students' educational success
