Nurturing the New Force of Erasmus Champions in School Education

Setting up a project? Do you need partners?

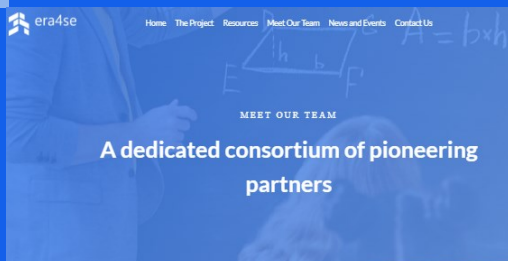

Have you reached to our results and decided to implement an Erasmus+ project in your school? Do you need partners for it? Does any of our technical partners or partner schools fit your requirements? Don't hesitate to [contact us!](#)

Don't miss our leaflet and use the results!

Our colleagues from EUROCREA had the amazing inspiration to design an additional leaflet which sums up the rationale, motivations and methods behind ERA4SE project.

Check it out and don't forget to take it with you to ERASMUS+ events...

Future superheroes will thank you!
